Odigram Swat

Reference Letter

I am pleased to recommend Mr. Fawad Khan for admission to your university of great repute. I vividly remember him as a competent student in session 2014-16. He was able to grasp all kinds of concepts. He never gave us any chance of grievance. He always impressed me with his approach to his studies.

Moreover, he actively participated in curricular, co-curricular and extra-curricular activities.

He has good command of the English language. Therefore, he will have no problem in understanding in a course conducted in the English language. He is talented and I am confident he can pursue his studies abroad without any hindrance.

I am sure that he can adapt himself to the educational environment of your institute in no time.

I wish him success.
