Dear Sir/Madam

To Whom It May Concern:

I am writing in support of Justina Aidoo's application. I have known Justina since 2015 that is the time of employment.

I highly recommend Justina aidoo for admission to Bachelor of Nursing. Justina was employed by Komfo Anokye Teaching Hospital as an Enrolled Nurse from 2012 to date. Justina was a responsible paediatric in-patient nursing care including admission and discharge, vital signs monitoring, drug administration and ostomy care.

Justina Aidoo has excellent communication skills. In addition, she is extremely organized, reliable and computer literate. She has demonstrated through hard work that acquisition of additional knowledge will improve significantly the quality of her service. For the last one she has served directly under me at the Paediatric Intensive Care Unit with no record of excuse or sick leaves.

I wholeheartedly recommend her for further studies to enrich her knowledge and skill.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours sincerely,

Dr John Adable Appiah
